Day Itinerary

Welcome to Sabi Sands!

On arrival at Johannesburg Airport, you will make your way to domestic departures for your flight to Skukuza Airport. On arrival, you will be met for your private road transfer to Lion Sands River Lodge, where you will spend three nights on safari.

Freshen up, and prepare for your first game experience. Followed by dinner on your return.

You'll appreciate River Lodge's bright, contemporary charm, blending luxury with tradition for a connection-rich safari.

One of the most culturally and geographically diverse places on earth, South Africa, fondly known by locals as the 'Rainbow Nation', boasts 11 official languages, and its inhabitants are influenced by a fascinating mix of cultures. Discover the gourmet restaurants, impressive art scene, vibrant nightlife, and beautiful beaches of Cape Town. Enjoy a local braai (barbecue) in the Soweto township, browse the bustling Indian markets in Durban, or sample some of the world's finest wines at the myriad wine estates dotting the Cape Winelands. Some historical attractions to explore include the Zululand battlefields of KwaZulu-Natal, the Apartheid Museum in Johannesburg, and Robben Island, just off the coast of Cape Town. Above all else, its untamed wilderness is astonishing: wildlife roams freely across massive unfenced game reserves such as the world-famous Kruger National Park.

Adjacent to the Kruger National Park, the Sabi Sand Nature Reserve is a private premier viewing destination. It was the first-ever private nature reserve established in South Africa. The landscape features 65 000 hectares of savannah-covered land interspersed with watering holes, dry river beds, Lowveld woodlands, and the perennial Sabi and Sand rivers. This spectacular reserve offers exceptional game viewing opportunities with frequent sightings of the renowned Big Five as well as cheetah, zebra, giraffe, and a variety of antelope. Visitors can enjoy excellent wildlife

viewing, dining under the stars, guided bush walks and enjoying a stay in some of South Africa's most luxurious safari lodges.

Day 2-4: Lion Sands River Lodge, Sabi Sand Nature Reserve

Day Itinerary

Being entirely private, Lion Sands offers you a very personal safari experience. With only six guests to a safari vehicle and exclusive traversing across the length and breadth of the reserve, you'll have minimal encounters with other people. While you're out exploring, you'll also by no means be roughing it. Your vehicle is kitted out with cushioned bucket seats, waterproof console boxes for your belongings, blankets, and ponchos.

The private reserve conserves 12 400ha (30 600ac) of habitat that is home to the highest and most diverse concentration of wildlife in the southern hemisphere. You can see all of Africa's iconic species here, including the Big

Five, along with a supporting cast of 150 mammal species and over 500 varieties of bird. The magic here lies in how you experience this extraordinary place and its wildlife wonders.

Giving Back

Lion Sands together with More Community Trust assists our local Huntington and Justicia B villages, and you can get involved, too. Take a community tour, the proceeds of which go to our development projects here, or roll up your sleeves to help out through our Get Your Hands Dirty initiatives.

These centre on education, infrastructure, health and environment, and you can choose the area best suited to your skills and interest. These are extraordinary social experiences that bring you to the heart of Southern Africa to make your own and others' dreams come true.

Game Drives

Africa has been called the greatest show on earth, and Lion Sands presents a safari that plays out like a highlights reel. Our reserve conserves 5 000ha (12 500ac) of a habitat that is home to the highest and most diverse concentration of wildlife in the southern hemisphere. You will see all of Africa's iconic species – lion leopard, rhino, elephant, buffalo, giraffe, hippo, and zebra – along with a supporting cast of no less intriguing 137 mammal species and over 450 varieties of bird. Our safaris present an adventure that is wild, and then some!

Being entirely private, Lion Sands offers you an intimate safari experience. With only six guests to a game viewer and exclusive traversing on our reserve, you'll have minimal encounters with other people. Though compelling sightings do attract more attention, the number of vehicles here is also limited. This ensures the animals aren't put under stress and you are able to spend more time with them, observing their natural behaviour. While you are out exploring, you will by no means be roughing it. Your game viewer has cushioned bucket seats, waterproof device holders, blankets and ponchos – and stops off in a scenic spot for drinks and snacks.

Bush Walks

These are our after-breakfast walks on the wild side. For those who wish to experience the bush, not just observe it, there is no better guided excursion. You are dropped in the thick of things and all five senses engage… Feel the scrub crunch beneath your feet, touch a velvety acacia seed pod, hear the crack of a branch indicating you are not alone, and spot the game appear just metres off – exhilarating! This is also a wonderful opportunity to encounter the smaller creatures, often missed on safari vehicles, and to discover more about the reserve's plants – many with fascinating medicinal properties and traditional uses.

Food & Wine

From boma feasts to safari refreshment stops, dining promises to be a highlight – for all our guests, with any dietary requirement, including kosher, catered for. Our chefs transform local recipes into contemporary dishes, giving you a taste for Southern Africa. Paired with premium wines from the Cape, dining becomes an experience. Our wine tastings are also a favourite of connoisseurs and dabblers, alike.

Spa & Wellness

Between game drives, find spaces to simply breathe. Lion Sands' wellness experiences restore what daily life depletes - deep sleep returns, tension melts away, and time slows enough to reconnect with yourself. Massage therapies work through safari-tired muscles to the soundtrack of birdsong drifting through open windows. Facials and deeply hydrating body treatments use TheraNaka™ and TheraVine™ products infused with African shea butter, CBD oil, and Pinotage botanicals. Hand and foot rituals bring softness after days in open safari vehicles. Couples enjoy shared spa experiences whilst the wilderness continues just beyond your treatment room. All treatments feature indigenous ingredients that nourish skin left dry by bush air. Exfoliation rituals leave you smooth and radiant, combining luxury with plants that have thrived in this landscape for millennia - shea butter, healing botanicals, restorative oils that restore and rejuvenate.
